

HOUSE CONSTRUCTION PROJECT

Ready to BUILD a brand new HOUSE SYSTEM?

Let us do it for you!

Our House Spirit are the experts in the creation, renovation and maintenance of successful House systems. We know what it takes to build an EFFERVESCENT HOUSE SYSTEM from the ground up!

The House Construction Project targets 4 key stages, each contributing toward a solid framework for your House system to grow on.

STAGE 1 HOUSE FOUNDATION

- School evaluation
- Investigate House names
- Elect and assign House names
- House identity creation

STAGE 2 HOUSE CONNECTION

- Mascots, logo, mottos
- House teamwear, flags, banners, etc
- House presence around the school
- Launching your House system

STAGE 3 HOUSE ENGAGEMENT

- Introducing House activities
- Implementing a House points system
- House communication tools
- Involving the wider school community

STAGE 4 HOUSE LEADERSHIP

- House student representatives
- House meetings
- House leader mentoring
- House integration

Let's start building your House System!
